Turn Your Dream Home Into Reality

REALITY CONSTRUCTION LLC

Kitchen Remodeling

From permits to countertops and everything in between, Reality Construction LLC is committed to helping you create your dream kitchen. We will handle all the details including installing all fixtures, cabinets, flooring and hardware. Whether you would like an efficient space or something dramatic, we can make it happen. Reality Construction LLC's time-efficient staff is here to help make your dream a reality.

Lower Levels

Reality Construction LLC will customize your space to meet your lifestyle and needs. From large open spaces for children to play to a private office area. We can custom create a space ideal for a home theater system, and exercise room or a wet bar. We will match woodwork, doors and wall finishes to create a flawless area that matches the rest of your home perfectly.

Bathroom Remodeling

Just as we do with kitchens and lower levels, Reality Construction LLC takes into consideration all your goals and needs when designing your bathroom. We make the building of your dream home a trouble-free, effortless experience by providing guidance every step of the way. Our counsel in the selection of your amenities is tempered by years of experience. At Reality Construction LLC, our goal is to make your remodel experience pleasant and rewarding for you and your family.

History

Reality Construction LLC owner Mike Bartelt began his construction career in 1984. Mike is a former construction site manager and repairman for Allan Builders, which was originally owned and operated by his father Allan Bartelt. Mike gained the experience necessary to establish Reality Construction LLC.

Reality Construction was formed in 1996, specializing in home remodeling, recreation rooms, siding, roofing, decks, rough and finish carpentry. In 2001, Reality Construction LLC added new construction. Since 2003, Mike and his wife, Gina, have been working together on the design build process. Today, Reality Construction LLC has returned to its original emphasis of finishing basements, remodeling kitchens and bathrooms.

The foundation of the company's success is, and always has been, the practice of working together for a common goal and the commitment to quality.
